THE QUAKER QUOTES STAFF

Editors-In-Chief	Jennifer Cockrell, Jeff Gaydos
Copy Editor	Suzanne Mutschler
Senior Editors	Kris Anderson, Kim Susko
Academics	Patty Mullaugh
Business Manager	Mary Kmit
Sports Consultant	Jeff Kreuzer
Photographers	Kerry Fowler, Peter Evans, John Gall, Scott McGaughy, Jim Peel.
Senior Members	Leslie Bailey, Linda Feduska, Jane Restelle
Junior Members	Becky Bocek, Laurie Casey, Kim Peters, Wendee Wilson
Sophomore Member	Natalie Bobrick
Sponsor	Mr. E. Robert Maze

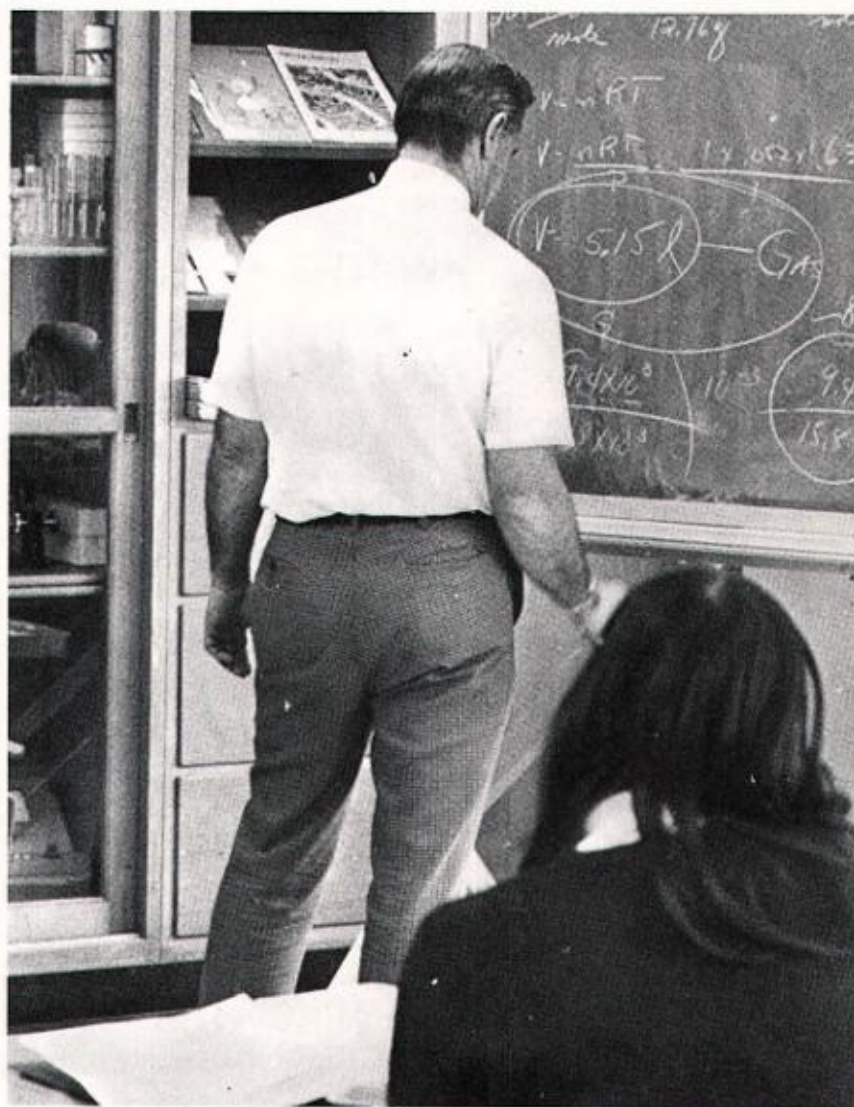

The *Quaker Quotes* staff has attempted to compile an assortment of pictures and copy to present a record of the various aspects of Quaker Valley during the 1972-73 school year. Many after school hours were spent planning and executing the many component parts of the book.

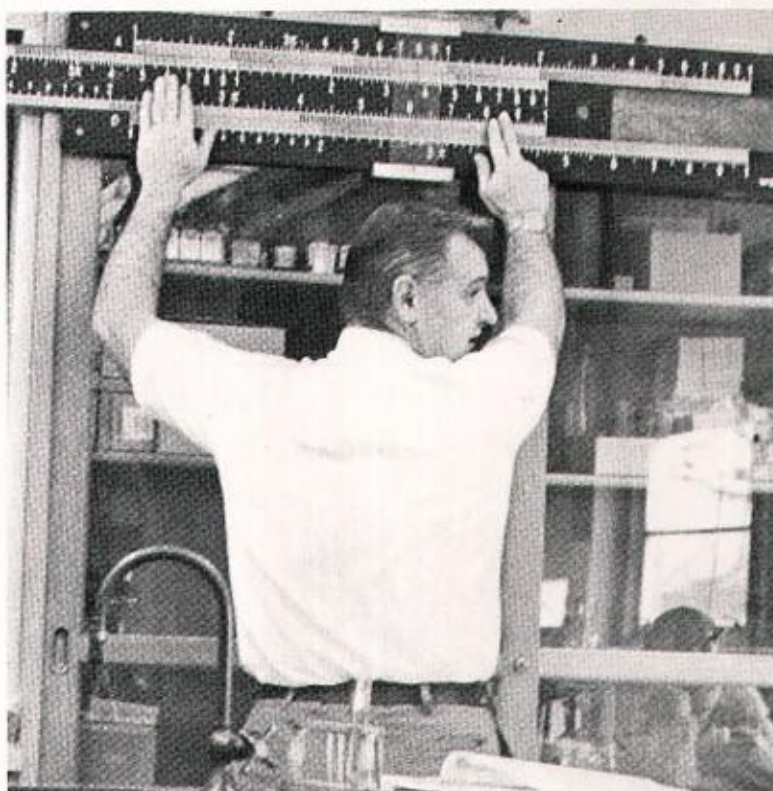

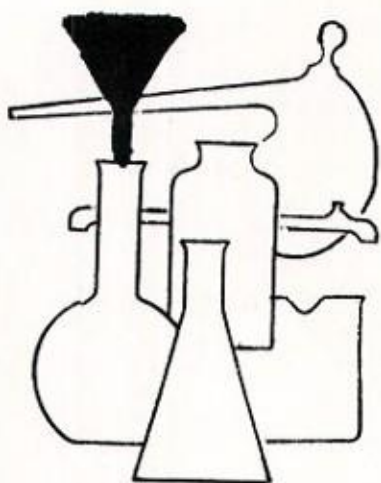

Dedication

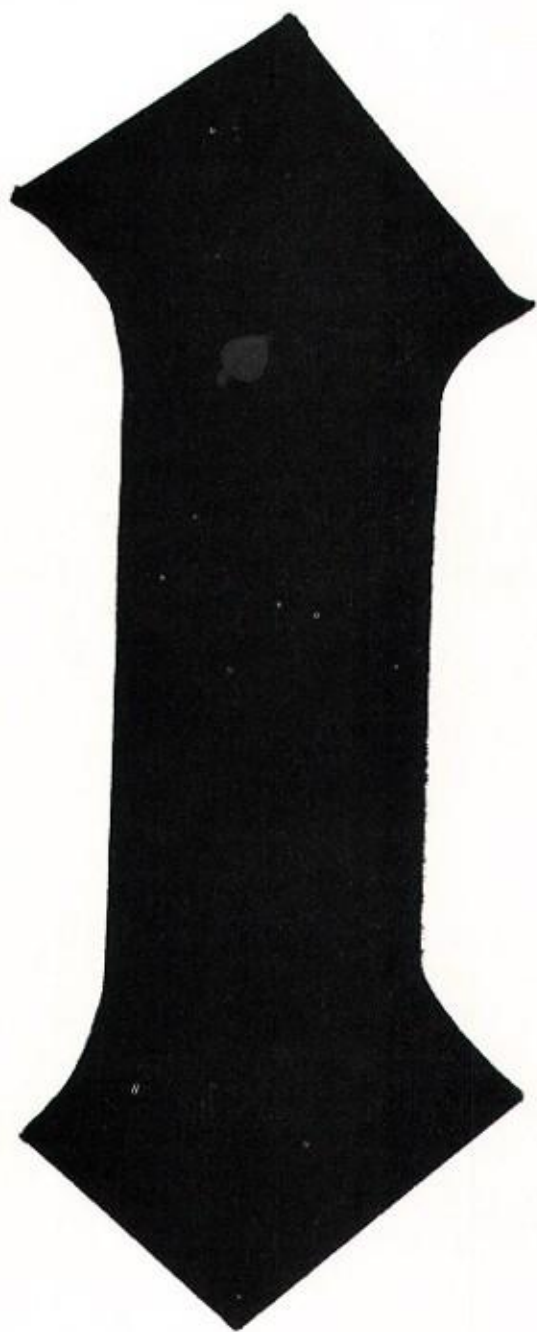

For teaching with imagination and humor, for making classes a bit more bearable, for caring about persons before numbers; and most importantly for giving generously of himself, we dedicate the 1973 *Quaker Quotes* to you, Andrew Shulick.

His appeal is made to our less obvious capacities: he speaks to our capacity for delight and wonder, to the sense of mystery surrounding our lives; to our sense of pity, and beauty, and pain; to the latent feeling of fellowship with all creation.

Senior Class Officers:

President: John White

Vice-President: Lu Ann Russo

Secretary: Gloria Zacharias

Treasurer: Frank Vescio

Class Flower: Blue Rose

Class Color: Navy blue, light blue, white

Class Motto: "The roots of education are bitter but the fruit is sweet."

"... we look up in the skies today with a new awareness — knowing that ours may well be the last generation that thought itself alone."

Arthur Clarke

FE
F
Everywhere...

The following pages represent the student after 3:00. After school some of the students work at various places — Burger King, The Kitchen, Theater, Isaly's, Service Stations, and at the Library. Some find entertainment every day in front of Isaly's and the book store, or just by living.

I am he
as you are he
As you are me
And we are all
. . . together!

Lennon/McCartney

Control tower to Apollo 17.

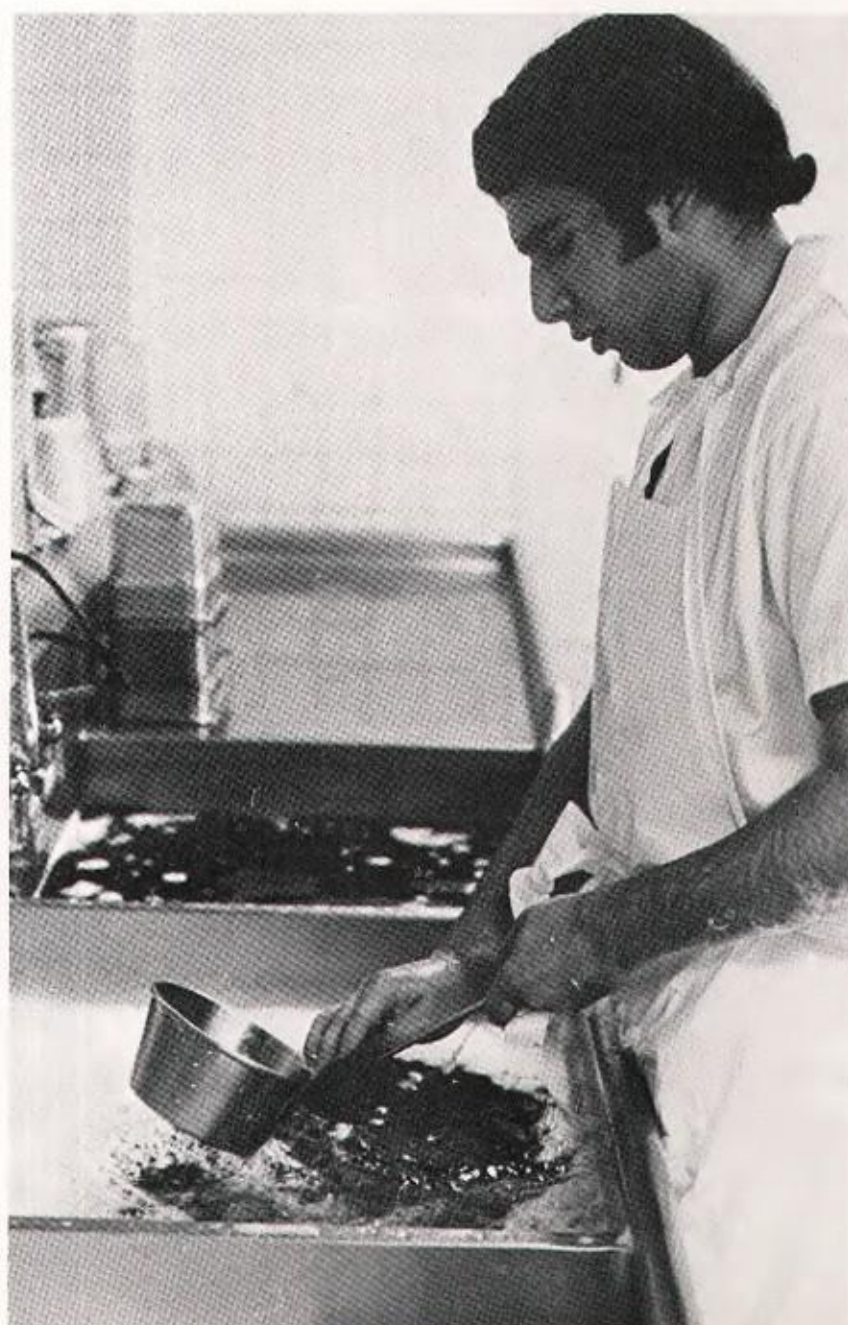

Just munchin'.

Who's sitting down on the job???

It beats doin' homework!

I wonder if Marcus Welby started this way?

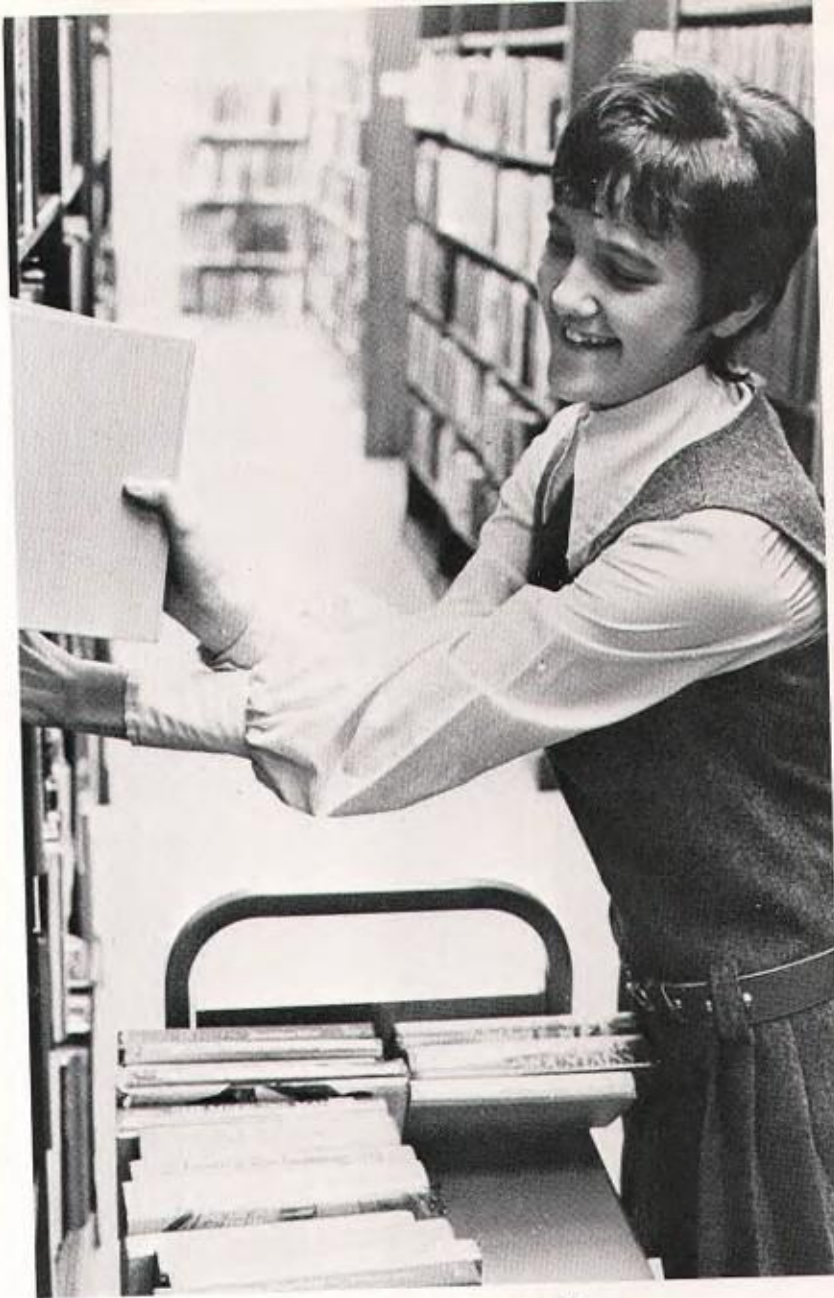

It's a good thing I wore my thermo underwear.

Pucker Up.

And, then I'll check under the hood.

First comes A . . . then comes B . . .

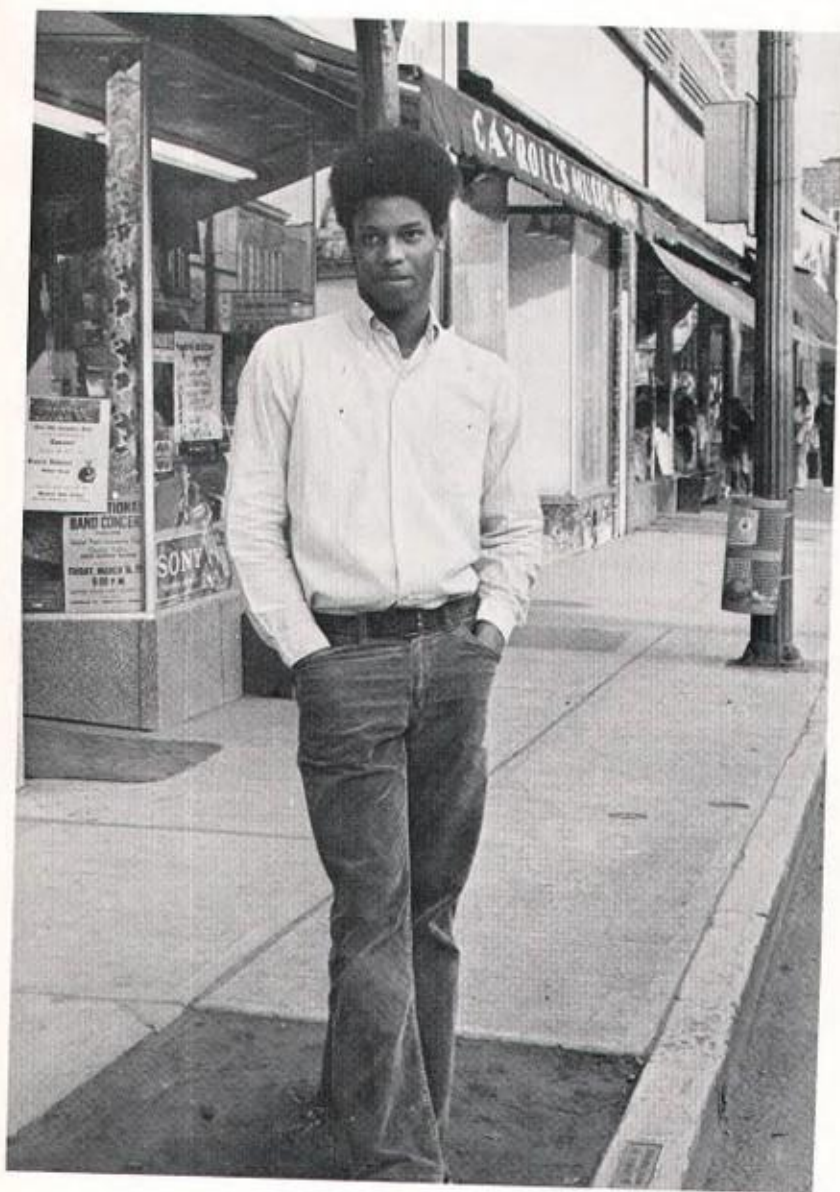

A pusher?

I feel better already.

"our gang"

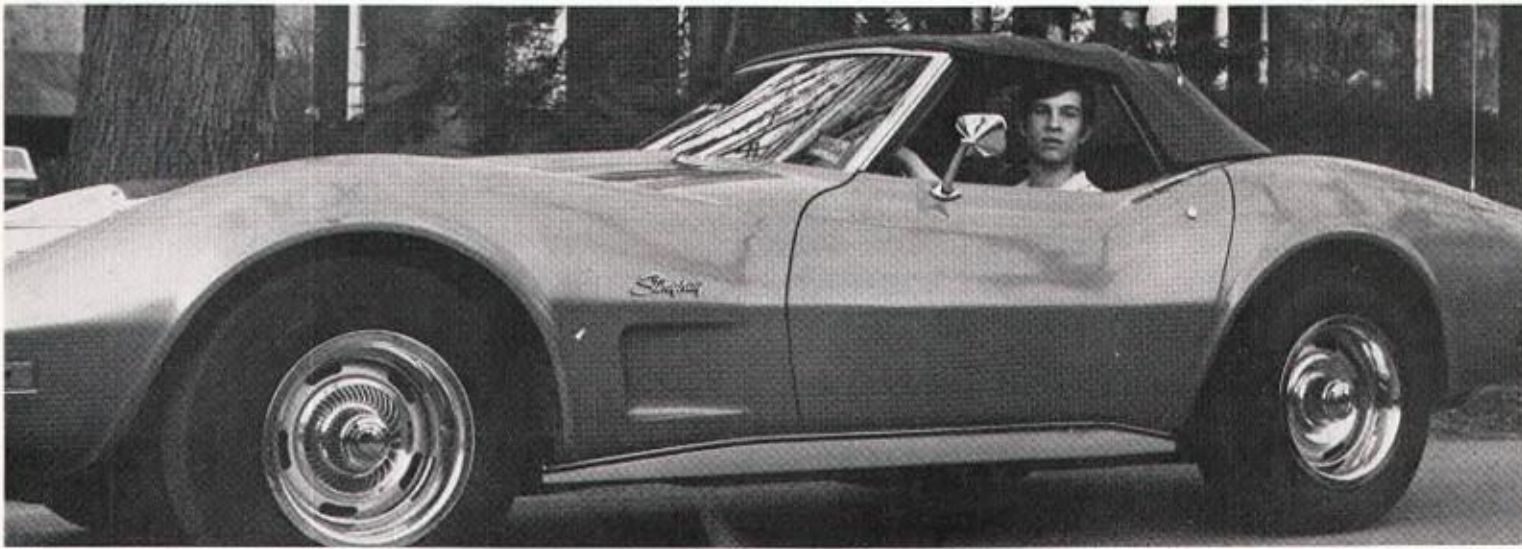

Not bad, not bad at all.

Doin' the same old thing.

A small town is a place where nothing happens every minute.

Waiting for a drowner?

Restin' at the Y.

2 points!

Relaxing at lunch.

Care to dance?

Mike Henning & Bookends.

You wouldn't. You did.

Now showing . . .

Our school's student government revolves around four boards. They are (clockwise starting in the upper left) Service, Curriculum, Activity, and Grievance. Each board has a specific job. Service Board provides for the needs of the school: They decorate the tree at Christmas time and help during Open House. Curriculum Board pertains to matters of school policy. The Activity Board set up and arrange the clubs of the student body. Grievance Board gives the student a chance to express himself. Each board consists of four students from each class and four faculty members.

G o v e r n m e n t

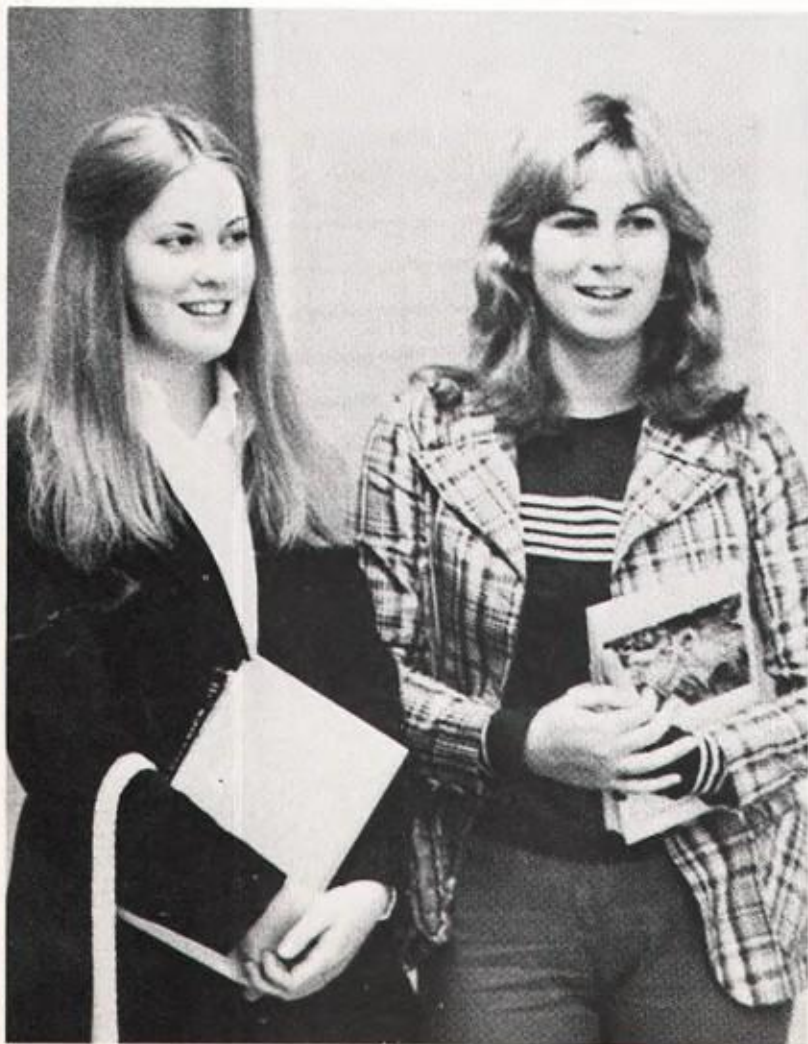

American Field Service

This year we were privileged to host two foreign students. They were Maki Iwamoto from Japan and Maria Alice Nassif from Brazil. The function of the AFS Club is to assist the community in raising funds to sponsor our student abroad. AFS Club hosted other exchange students from the Pittsburgh area, in a weekend of fun during the month of March. At that time the annual AFS show was presented. This year, for the first time students participated in the program. We welcome Maria and Maki, and hope they enjoyed their stay with us.

Pictured Above From Left to Right: Jenny Cockrell, Maki Iwamoto, Dick Williams, Maria Alice Nassif, and Colleen Quinn.

All People Smile in the Same Language

Desk Duty

If you see a girl who seems to be moving faster than the speed of light throughout the halls, then you have just seen a desk duty girl. The ring of a bell summons the endless energy of these girls. They assist the secretaries and counselors in sending for students, sorting mail, distributing absentee sheets, and doing just about anything that the secretaries ask of them.

We hope that those students who weren't involved with the production of the Quaker Quotes will understand the hassles involved, and remember, "it is better late than never."

The members of the Quaker Quotes staff have tried to capture the spirit of student life in the span of the school year in pictures and words.

Quaker Quotes

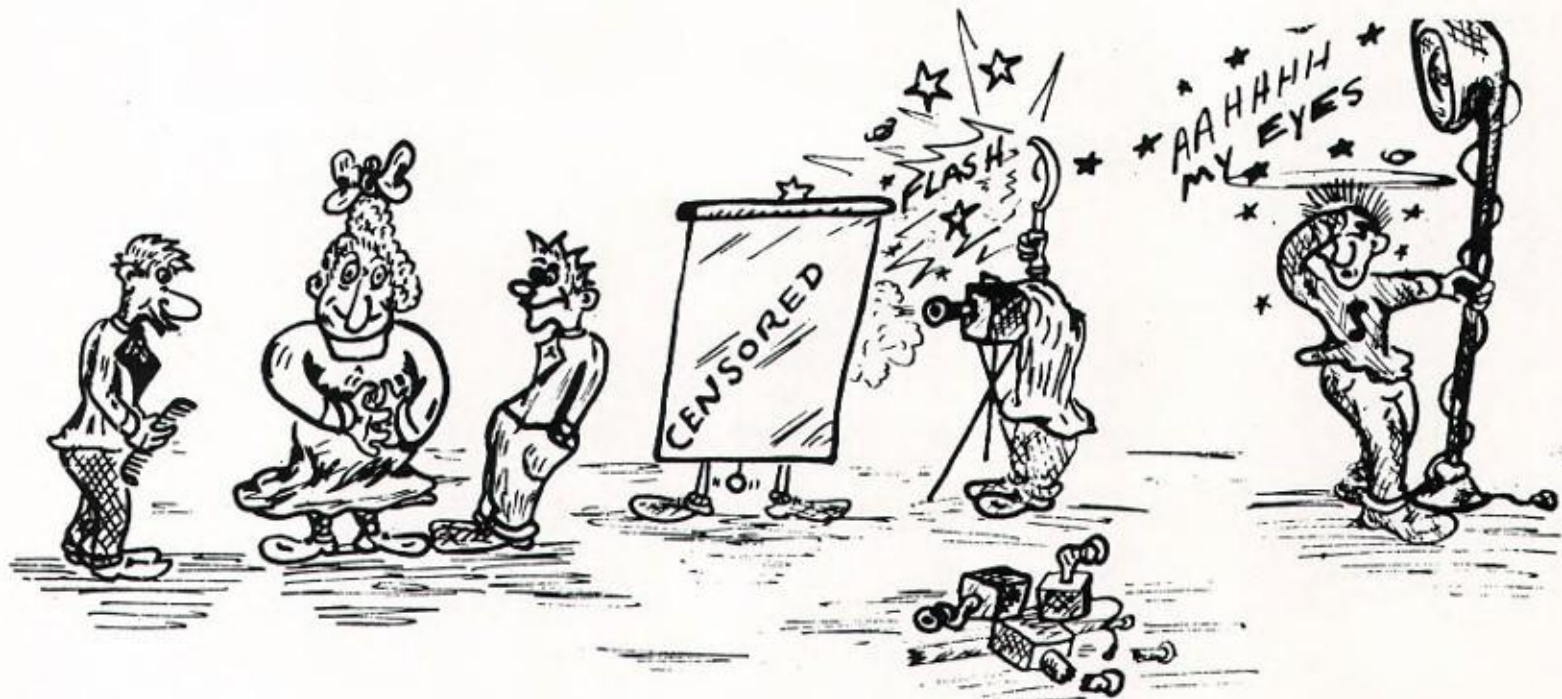

Student United Nations

Since 1955 Quaker Valley has been an active member of the Western Pennsylvania Student United Nations, and we're still going strong.

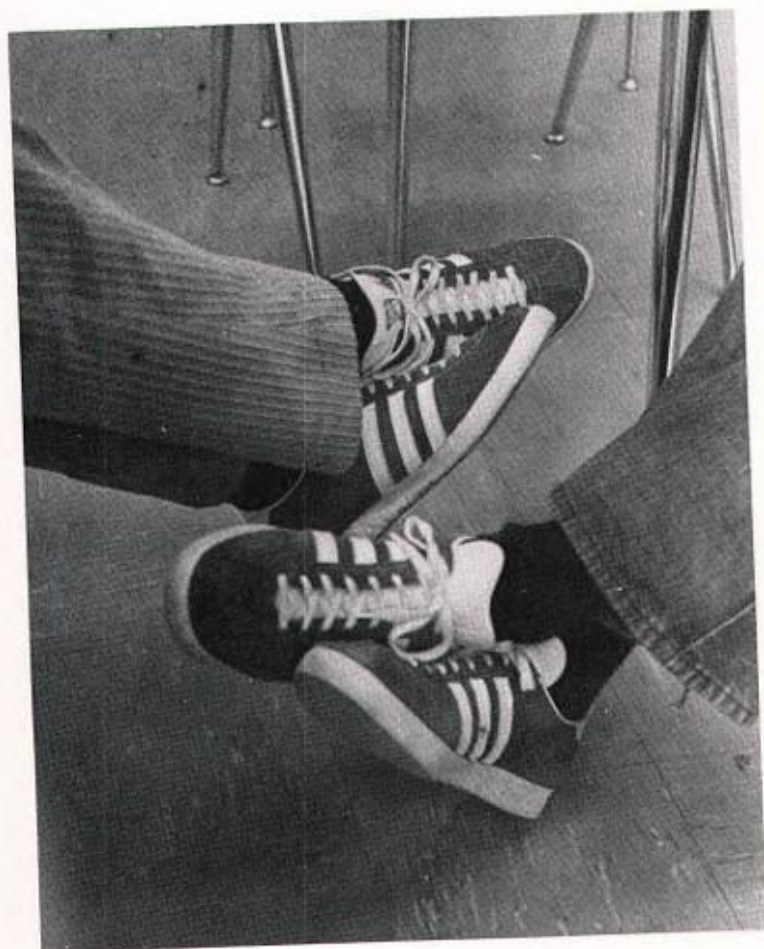

Through the year we have won Speaking Awards, and this year Quaker Valley won a Service Award for having a Local United Nations, which helps new members of S.U.N. "get the feeling" of debating and fast thinking.

Our goals in S.U.N. are: to understand the workings of the United Nations, to use parliamentary debate, to think on our feet, and to develop opinions of the world.

Senior Pictures

The girls track team, sponsored by Mrs. Temple and Mrs. Olinger, was brought about in mid-November. After Christmas, the twelve girl team began running every Tuesday and Thursday after school. Between these practice sessions, the girls also ran at home. The team is headed by co-captains Jean Bobincheck and Janice Bull. They hope to compete with other schools offering girls track in the spring. Although the turnout for members this year was small, the girls encourage all willing females to participate in the coming seasons.

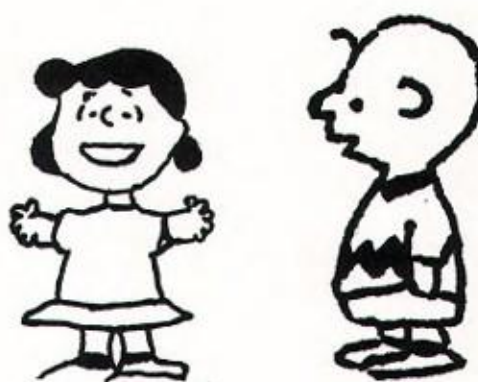

Girls Track

Students who have a special interest in the sciences have banded together their common interests to form Chemistry Club. Each Thursday the students, under the direction of Mr. J. Cortese, experiment with light, heat, gravity, and other aspects of science. Mr. Cortese is pleased with the progress they have made.

"It's a scientific fact that women
are smarter than men."

Entertainers Club

The Entertainer's Club is made up of future Broadway stars! They rehearse long hours to produce enjoyable shows for different benefits and once in a while, just for the fun of it. "Let me entertain you" best describes their activities.

John Yasick tuning up his guitar for practice.

F H A

Mrs. White, the Home Economics teacher, is sponsor of the Future Homemakers of America. The officers of the club are: *President* — Cindy Peters, *Vice-President* — Pam Greene, *Secretary* — Gail Steinburg, *Treasurer* — Karen Myers, *Historian* — Beth Berti. The F.H.A. is affiliated with the state and national F.H.A. chapters, and they attended the regional meeting at Keystone Oaks High School in October. F.H.A. has three goals: They are education, service, and social. The group has done a number of things this year. Some of them were: Bake Sales, favor-making, Mother's Day dinner for the member's moms, and a surprise Christmas Party for Mrs. White.

G o u r m e t

The members of Gourmet Cooking risked fighting the battle of the waistline in order to test new methods of preparing food. Mr. Simpson and the future chefs wanted to learn how to make different, exciting dishes such as: Baked Alaska, Spinach Souffle, Shishkabob, Fettucini, Tempura, and many more exotic meals. Each student was to bring in one thing which was assigned to her and each was to have a specific job to do. The members were pleased with the jobs they did and each had to admit that even the dirty dishes, pots, and pans were not enough to discourage them.

C h e s s C l u b

This year's Chess Club didn't have enough members to hold a championship chess tournament, but the members did have an enjoyable time on Thursdays meeting to see who could be "King for a Day." They hope to polish up their game until next year, when they shall again challenge the Junior High to another meet.

German Club

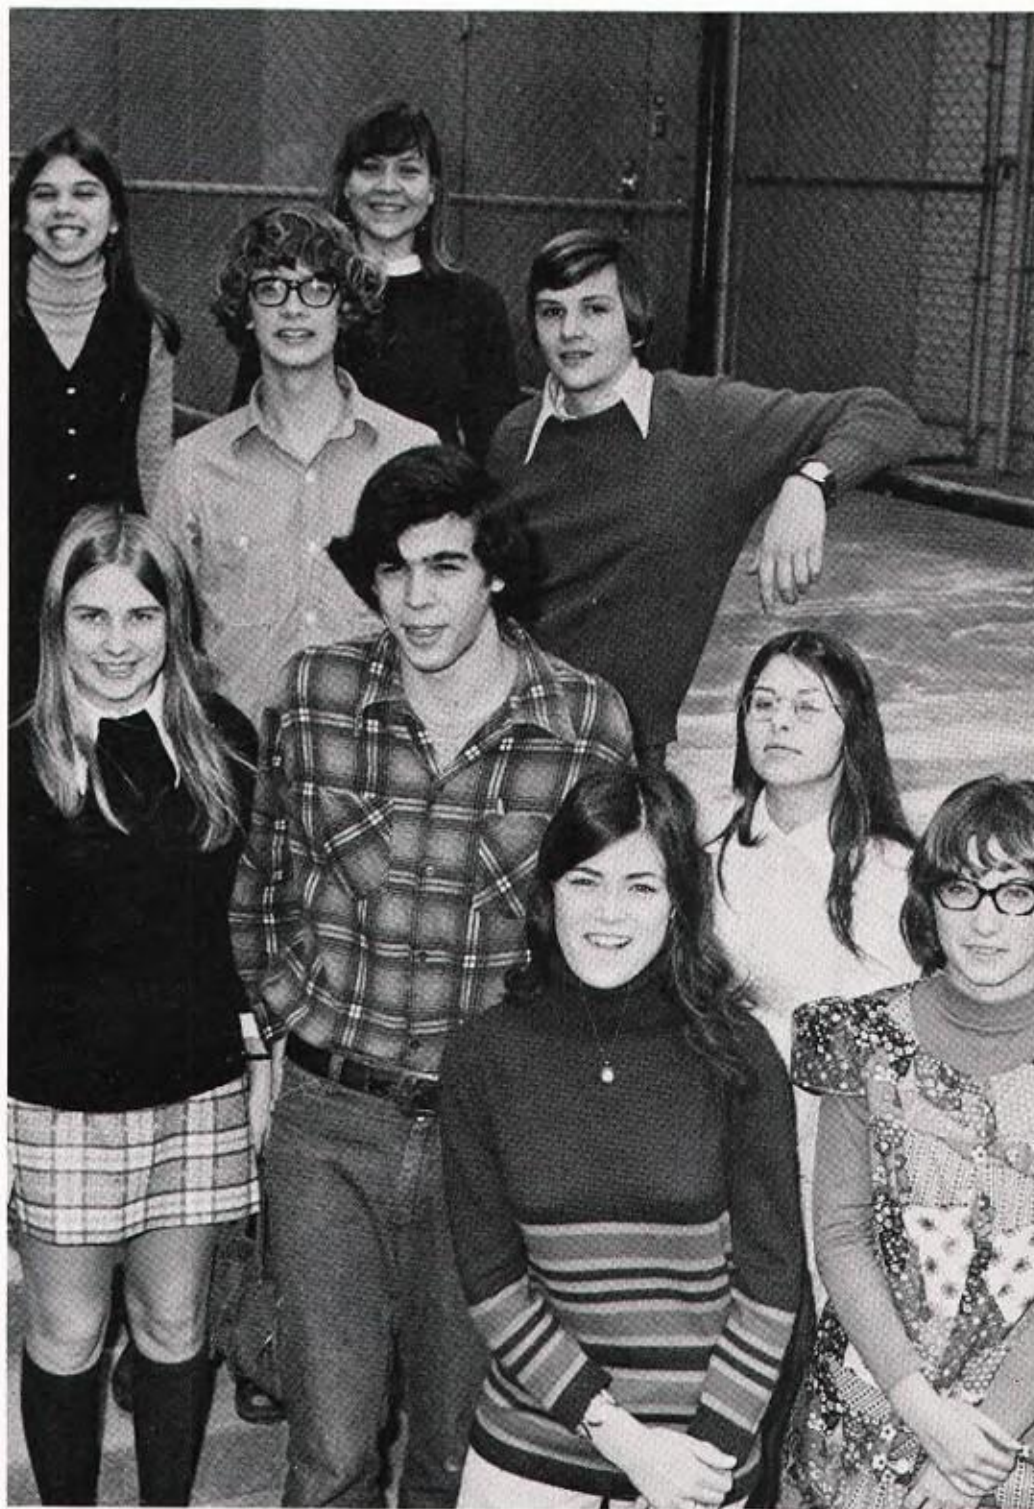

Although German Club was not active this year, the fourth year students treated themselves to a dinner at "Frau's" house. They came to the conclusion that German food is quite delicious! Each member has higher hopes and bigger plans for next year, and hopes that all new German students will join them.

Left: Mary Lou Klaric and Cindy Wessels are leaving the Buhl Planetarium in Pittsburgh after seeing a sky show narrated in German. It was a most rewarding field trip.

The members of Outdoors Club hoped to take a weekend off from the hustle of Quaker Valley and go snow-shoeing. Unfortunately Mother Nature had different ideas. She provided us without any snow and the idea had to be shelved for this year, at least.

O u t d o o r s C l u b

Varsity Club

Varsity Club is a honorary club made up of athletic team members who have lettered for at least one year in a varsity sport.

F. C. A.

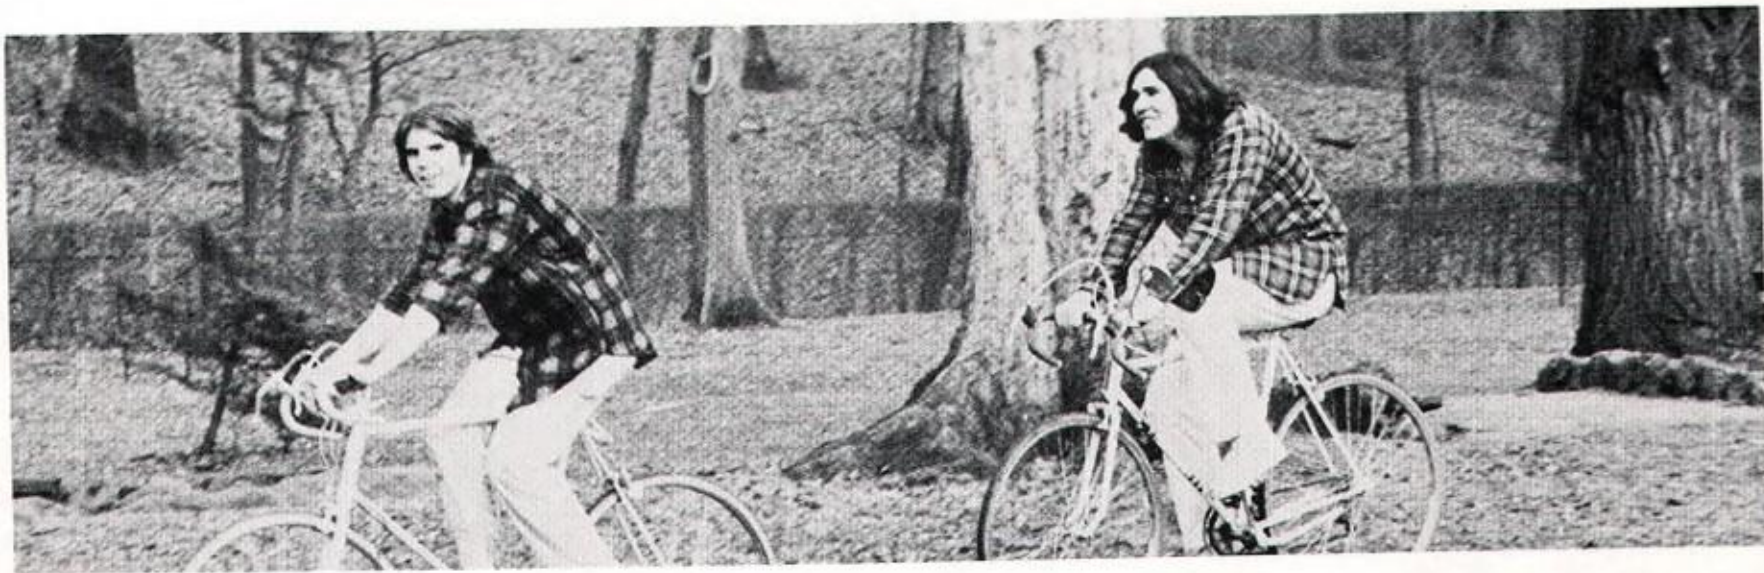

The Fellowship of Christian Athletes is striving to strengthen the moral and spiritual fiber of the athletes and coaches of America. Through group discussion members widen their perspective on the meaning of God and enhance their lives as Christians. The club's main activity this year was a canned goods collection for the McGuire Home and the Union Aid in which they collected over 1800 cans.

GAA

The G.A.A., Varsity and Junior Varsity, competes with other local schools in Volleyball, Basketball, and Softball. Bowling is an interleague sport. The members compete among themselves for high average and high points. G.A.A. also has gymnastics. Three year members who earn a certain number of points, (by attending, participating, etc.), receive a varsity jacket. This year's officers are: *President — Debbie Belcastro, Vice-President — Mary Lou Klaric, Secretary — Sue Fondi, Treasurer — Kathy Roppa.*

B i c y c l e

C l u b

The objects of the club are to encourage not only the fellowship, but the health benefits that can be achieved through cycling. The sharing of past cycling experiences as well as the planning of future trips also are to be carried out.

The main function of the Pep Band is to promote musical entertainment at home basketball games. The group has also served for other activities including playing during the intermission of the A.F.S. shows. The organization also actively participates in the Entertainers Club. The Pep Band is a true asset to our school and we wish to thank them for their time and talent.

P e p B a n d

Bittersweet

Bittersweet, Quaker Valley's literary magazine is in its first year of publication under the direction of Rachael Wedeen. This magazine consists of poems, short stories and art work, contributed by the student body.

Debate Club

This year's debaters have gone to more tournaments than ever before. These included rounds at the following schools and colleges: Westminster, Duquesne, Knoch, and Butler. The debate team has been debating the resolution, which deals with the federal funding of all public elementary and secondary schools in the United States.

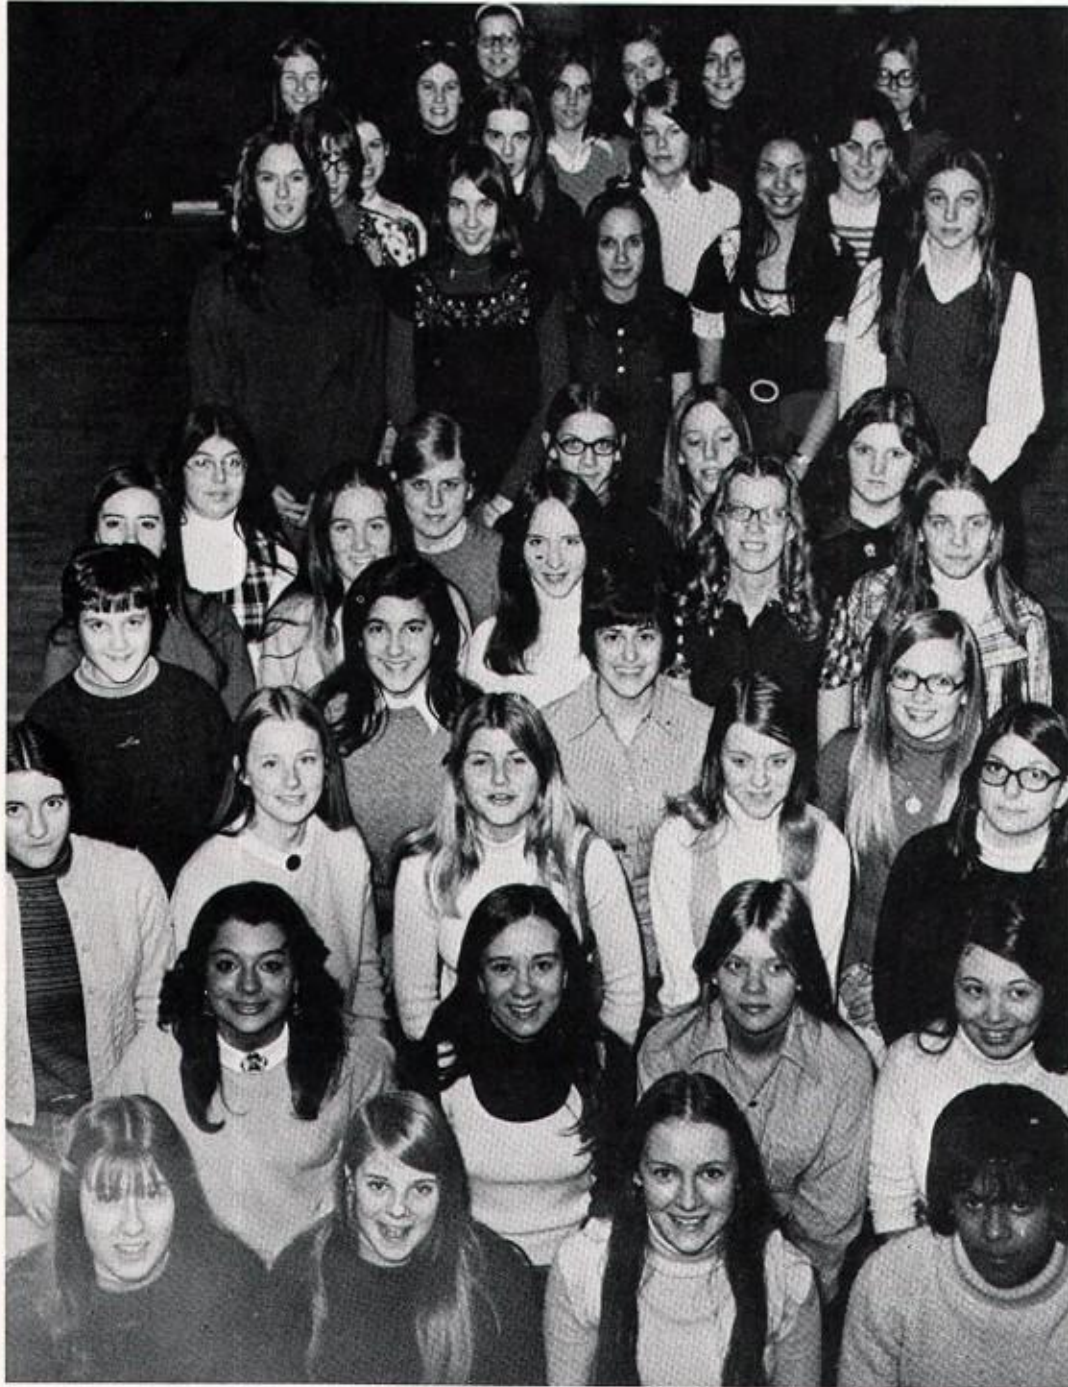

This year witnessed a metamorphosis of the newspaper. Under a new sponsor, Mr. Robert Maze, the format was altered. The size of the paper and the number of pictures were increased. The Quill has striven to satisfy the student body, and will continue to stimulate and generate interest in the goings on of Quaker Valley.

Quaker

Quill

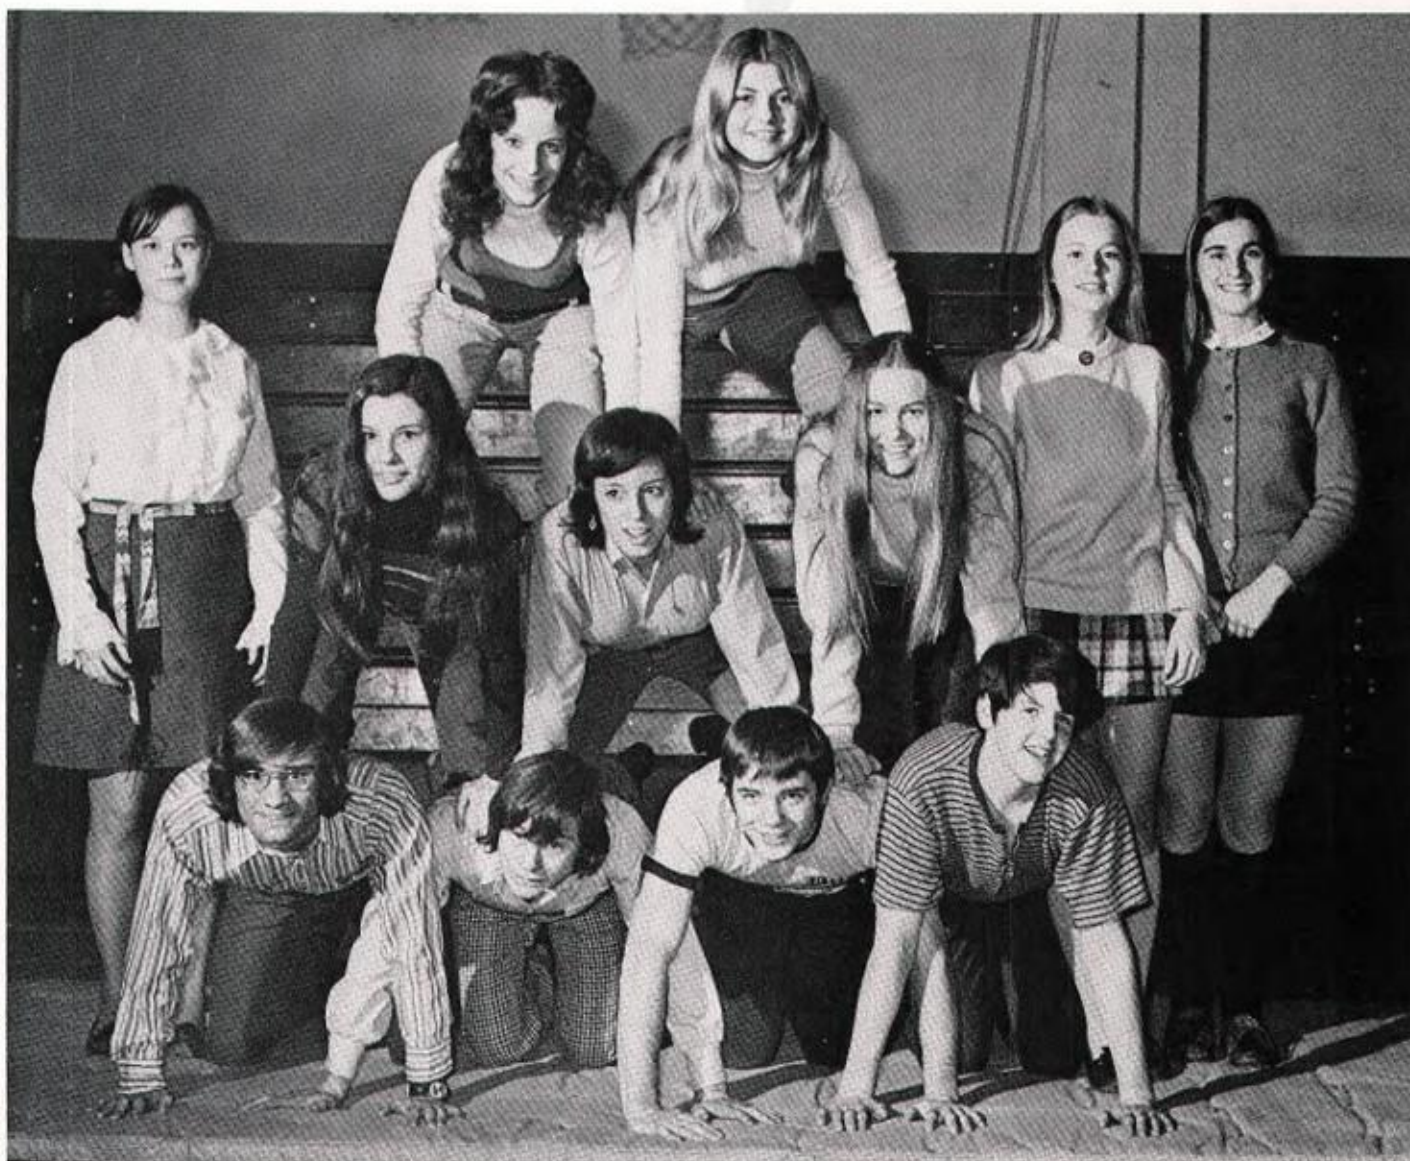

Pep Club

**Enthusiasm is contagious,
and so is the lack of it.**

One of the main sources of pep in our school is supplied by the Pep Club. This year's Pep Club was headed by President Priscilla Harrison, Vice-President Barb Becker, and Secretary Debbie Belcastro. The Pep Club is responsible for the cute locker decorations hung on the lockers of the boys in various school sports throughout the year. They also make signs for the pep rallies and pass out candy to the boys on the football team. Many thanks to the girls who devoted so much of their spare time to make this club possible this year!

Gymnastics

The Gymnastics Club is a new club started this year and is under the competent leadership of Mr. Carson. Each member works at his own pace on any of the skills included in gymnastics. They have at their disposal the use of the mats for tumbling, parallel bars, high bar, ropes, and balance beams.

On Tuesdays after school these interested students spend their time in proving their skills on the apparatus and their coordination and agility.

Mr. Carson hopes that next year the size of the club will grow and that the members will actively participate.

Art Club is a chance to give artistically minded students whose schedules would not permit them to take art, the opportunity to use the facilities of the art room. The club is sponsored by Quaker Valley's art teacher Mrs. Chantler, under whose supervision the students are able to secure professional help with their projects. Meetings are held from 7 p.m. to 9 p.m. on Wednesday nights.

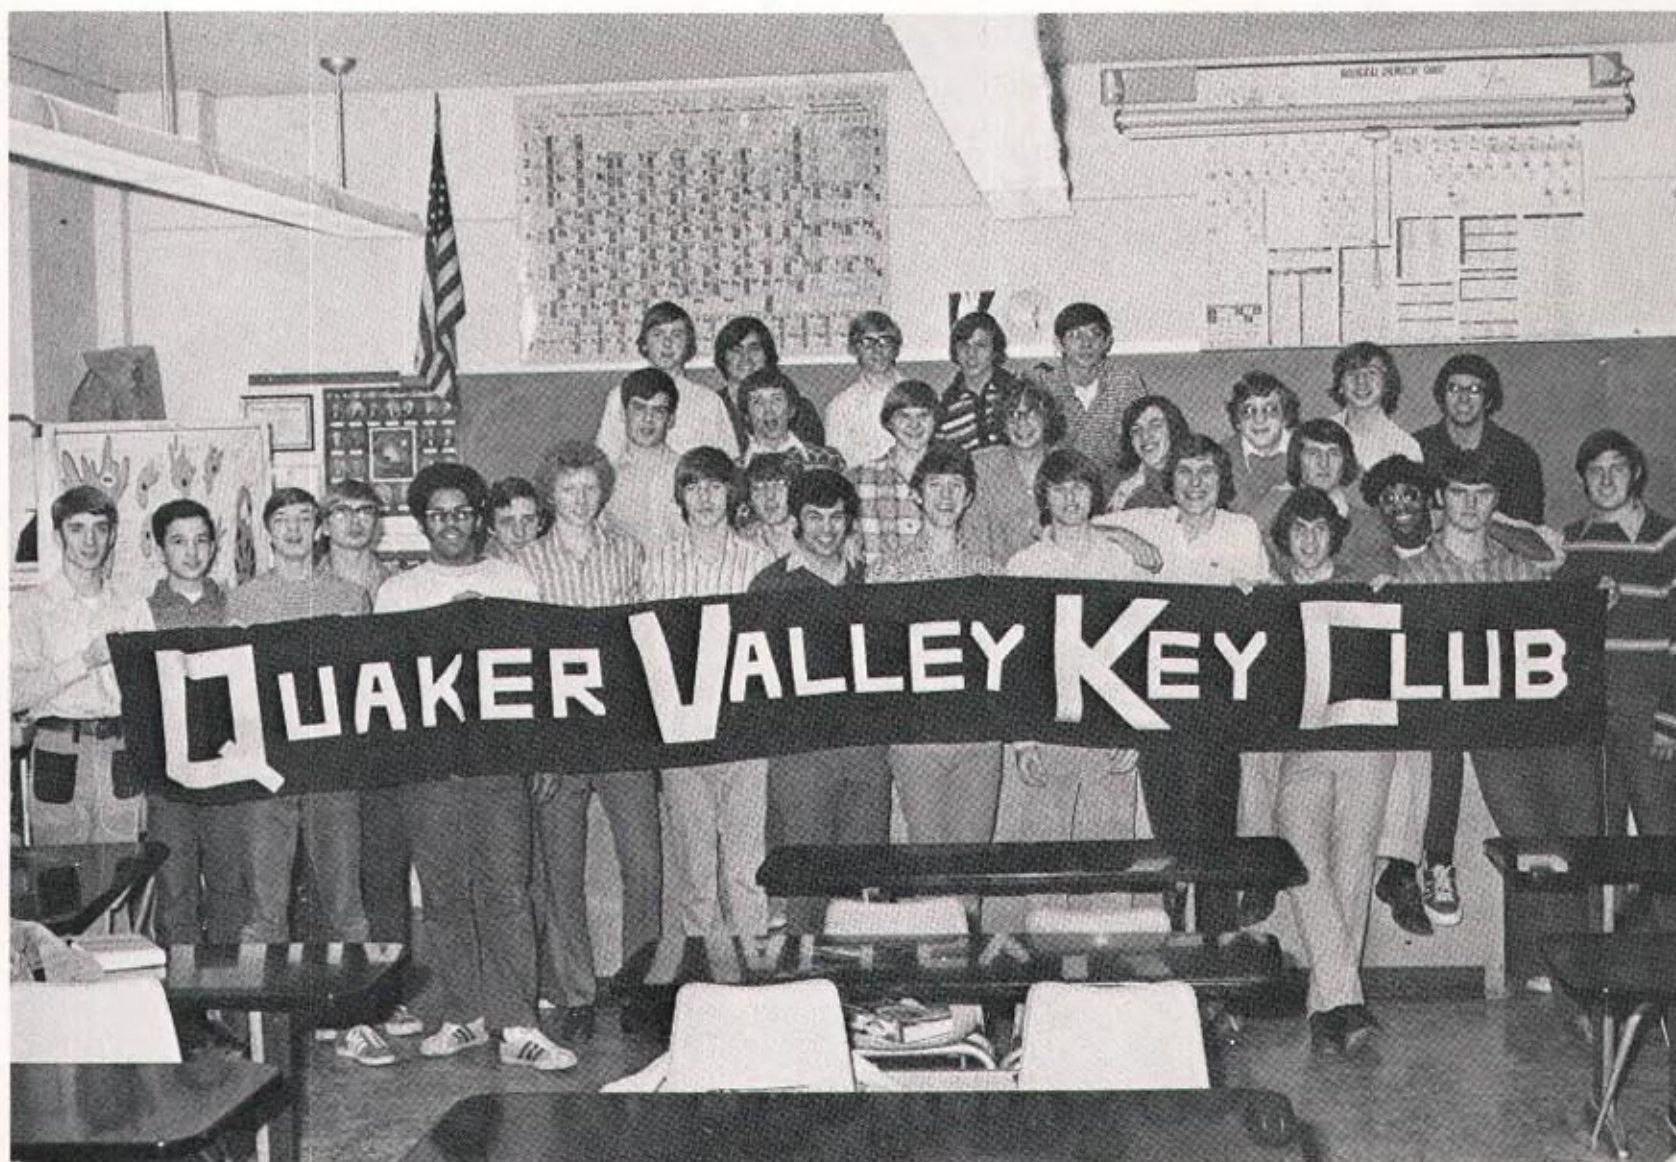

Art Club

It is art itself which should teach
us to free ourselves from the rules
of art.

— Molière

K e y C l u b

Key Club is probably the most active group at Quaker Valley High School. Working in conjunction with Sewickley Kiwanis, Key Club has donated money to Sickle Cell Anemia, worked at the Harvest Festival, collected Christmas Cards for Missions, provided services for the Heart Fund, and participated in many other projects in order to be an asset to school and community.

Gary Molitor blowing up balloons at the Harvest Festival.

R e d C r o s s

Pictured above from left to right: Barb Beerman, Patty Grace, Marilyn McDermott, Peggy Roof, Wendee Wilson, Sonny Melnick, and Mary Lou Klaric.

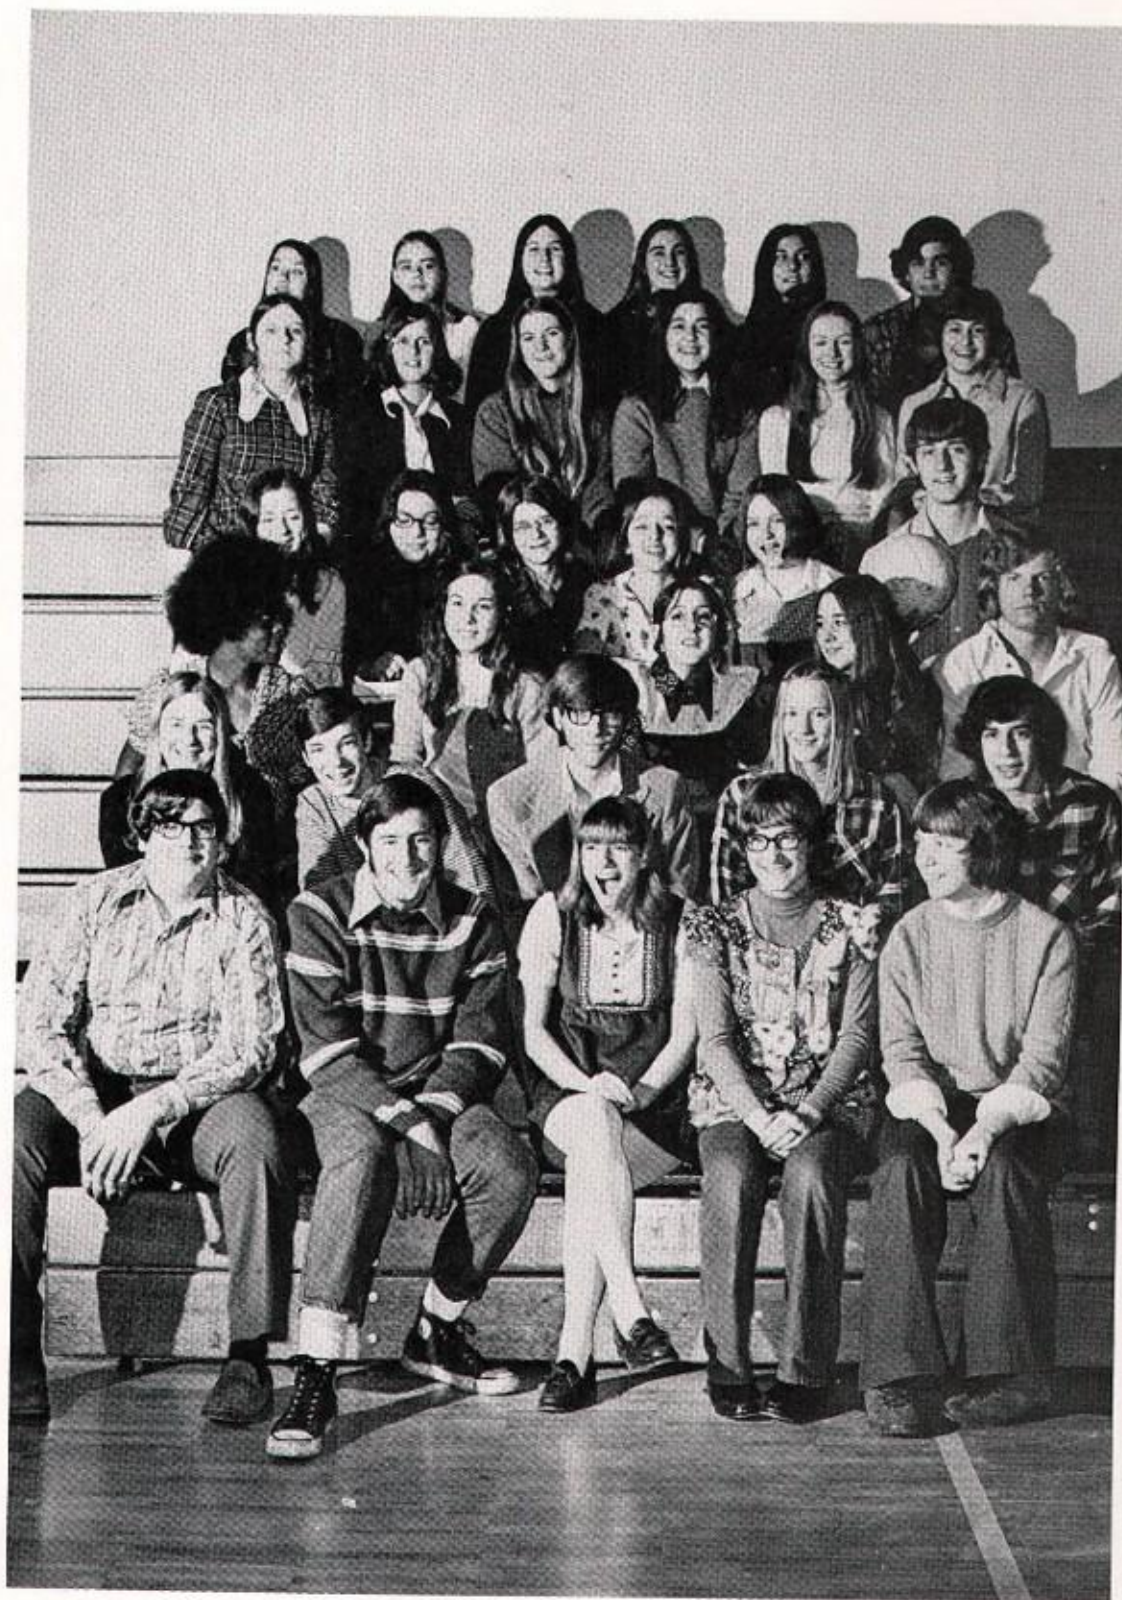

If you happen to walk past the gym on Tuesday after school and hear bumping on the wall and see a tennis ball flying out of the gym, don't be alarmed. It's the Quaker Valley Tennis Club! Every Tuesday since October six to eight people swing, jump, turn, run, and have fun to try to get the ball and hope to become Billie Jean King.

WIMBLETON ANYONE!

T e n n i s C l u b

V o l l e y b a l l

The purpose of the Volleyball Club is to give students an opportunity to play a sport they really enjoy. It involves both the individual and the group. Everyone really has a good time.

There is nothing that makes a manager happier than knowing he has the loyalty of his players.

— Charles Schulz —

Motorcycle Club, or Dirt Bike Club, is devoted to the study of motorcycles, riding, mechanics, etc. They also offer helpful hints to the beginner.

La vida es una fiesta.

Science is a collection of successful recipes. — Paul Valery —

Mathematics

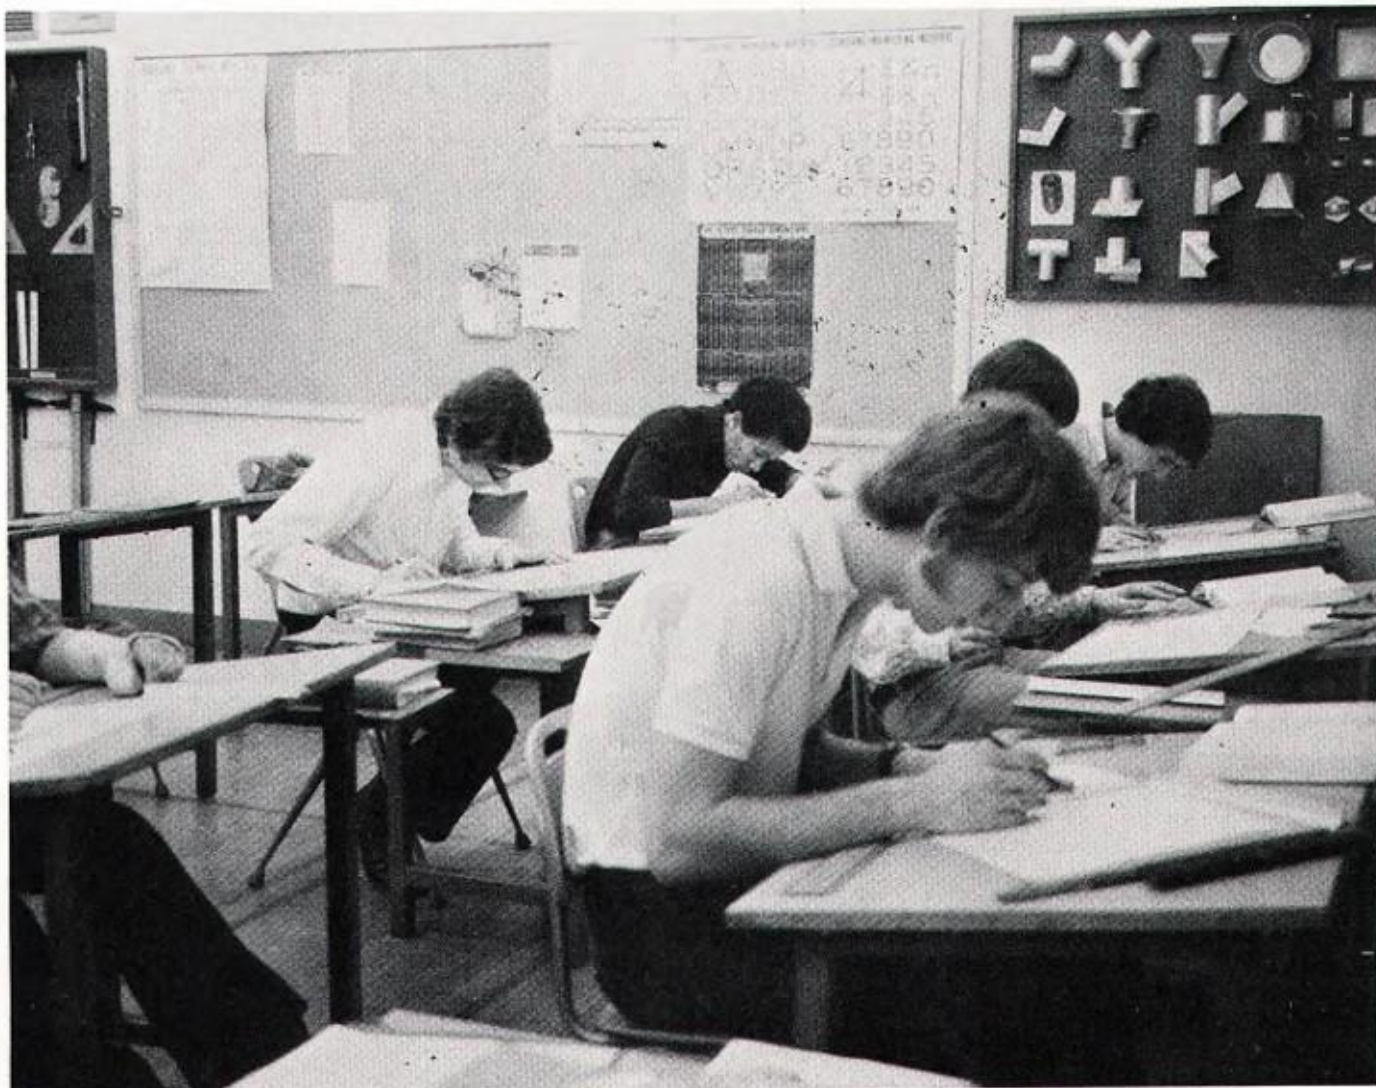

One of the chiefest triumphs of modern mathematics consists in having discovered what mathematics really is.

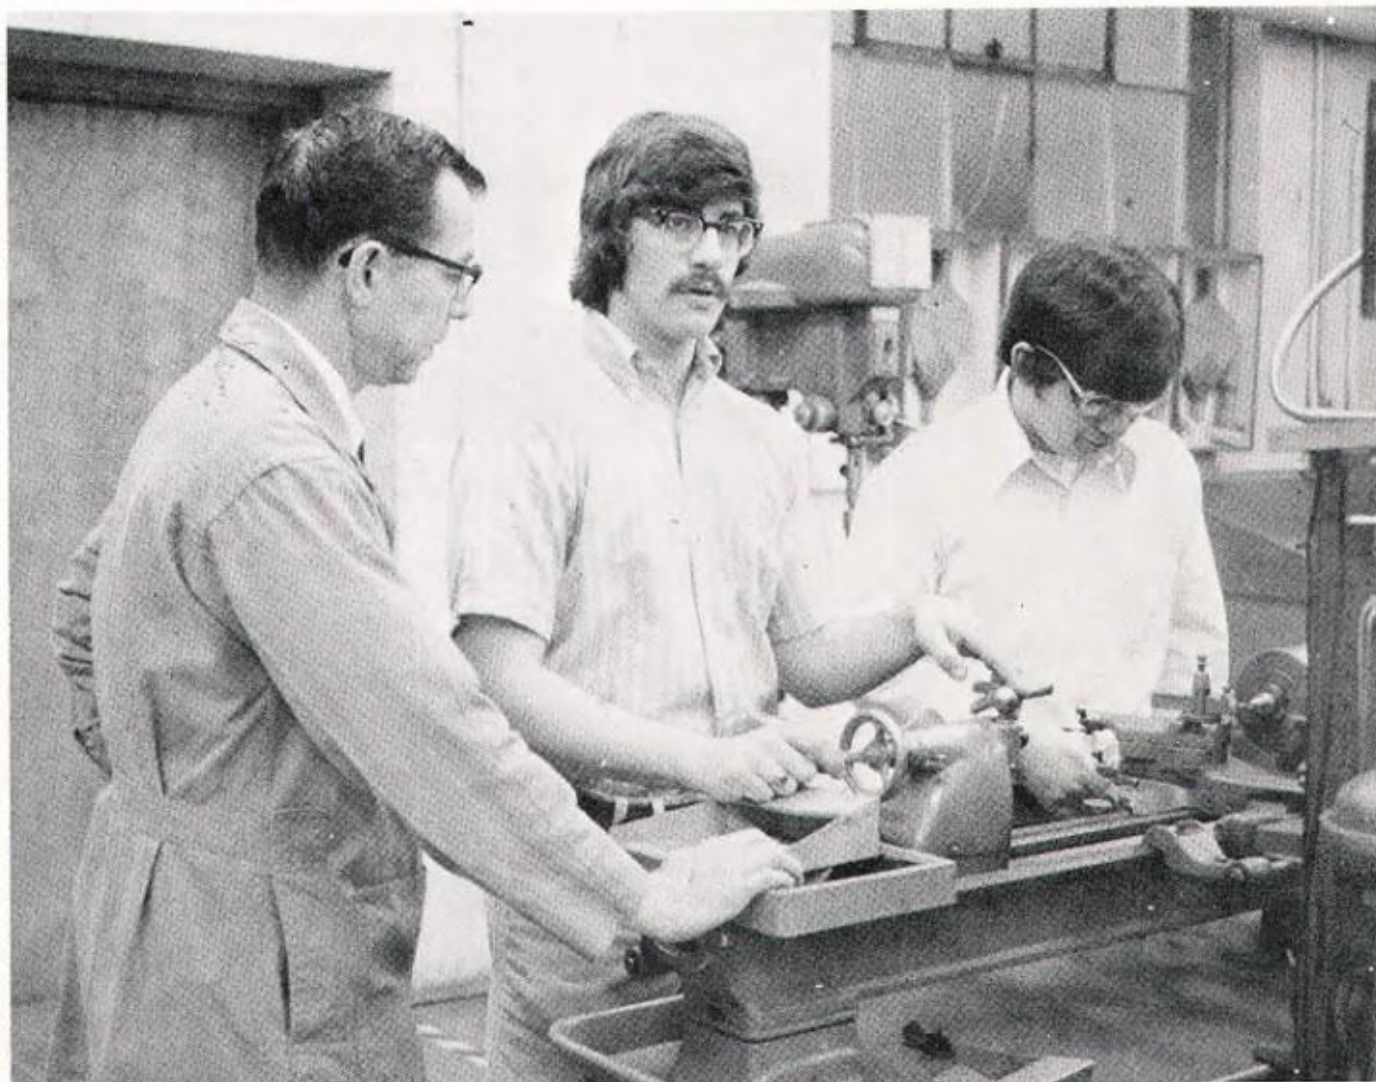

—Bertrand Russell—

Mechanical Drawing

Ladis, Buddy, David, and Jeff making isometric drawings.

Mr. Shaw is watching two industrious students using the lathe.

Home Economics

Debbie Workman, Alicia Soman, (*left*) and Mike Lo Bello, (*below*) are demonstrating their talent with children during Playschool. Guys and girls both cooked and studied nutrition, as well as cleaned. The guys studied fashion while the girls sewed. Co-ed Home Economics was a huge success.

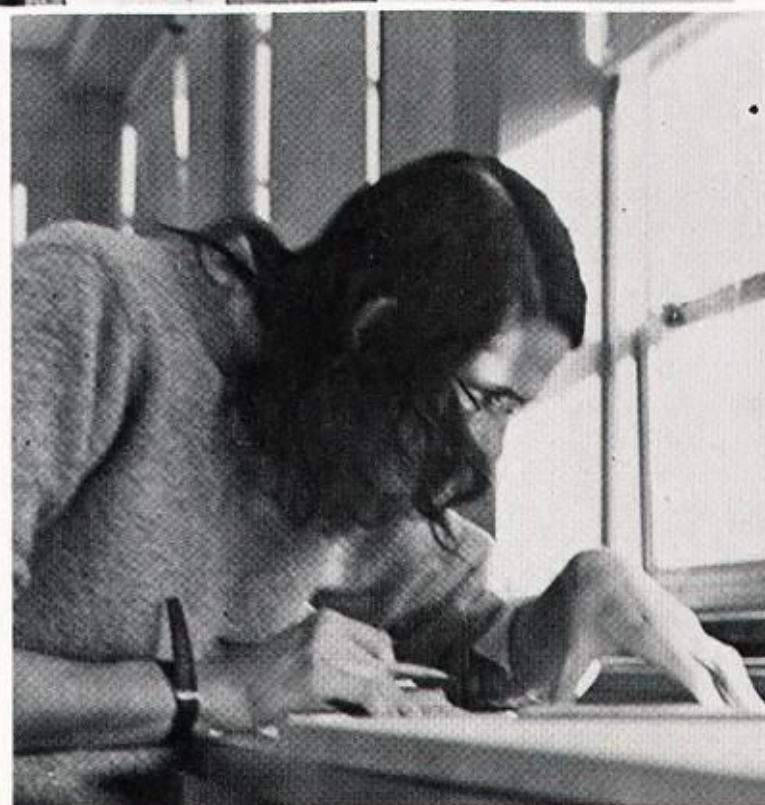

Art is effective in so far as it utilizes our fine facilities, makes possible a wide range of art experiences through the use of many different media, and realizes that some type of art expression is possible for every individual. It is our purpose to enrich the life of the student, the school and the community through the effective use of the unique possibilities of the art program. Every media is available to enable the serious art student to evaluate his talent and creative ability so that he may make an educated decision as to his future in art.

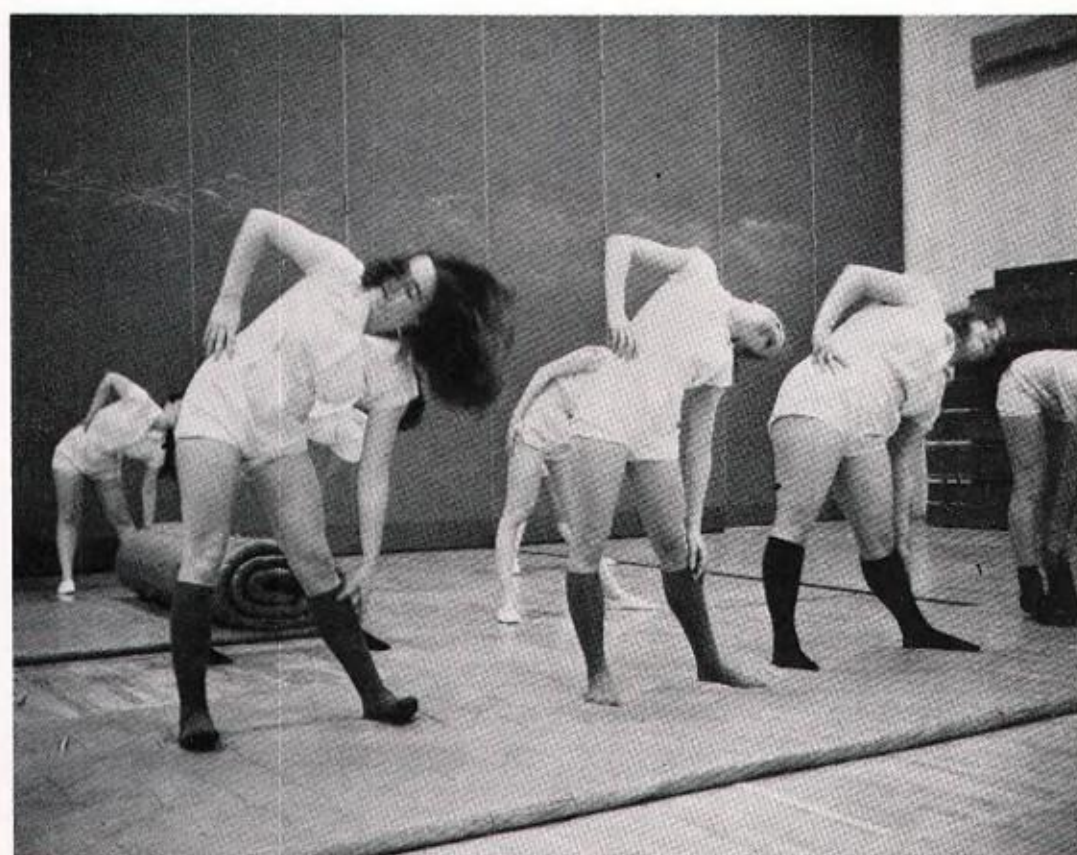

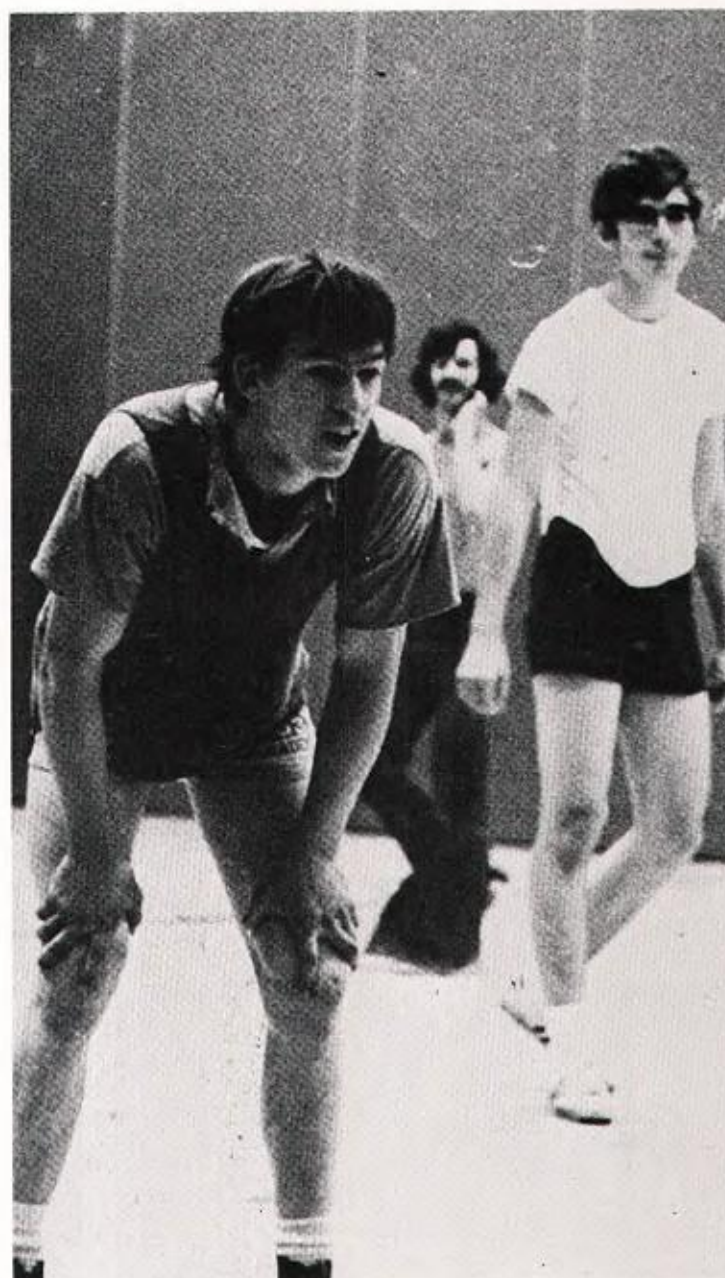

The art department adds many contributions to the school and community every year. Some of these include the cheerleaders' names on their megaphones, covers for school plays and programs, senior tea invitations, lettering for numerous posters needed around the school and helping with the Prom Design.

Home Visitor

Going to visit the ladies who work in the cafeteria is the best time of the whole school day (except 3:00). Not only is lunch-time a half hour away from work-happy teachers, but it gives us a chance to fill up on some really good food: bread, pizza, cookies, ham and egg salad sandwiches

Above: Mr. Jack Punashot, who keeps the school clean and looking its best during the day, poses for a picture.

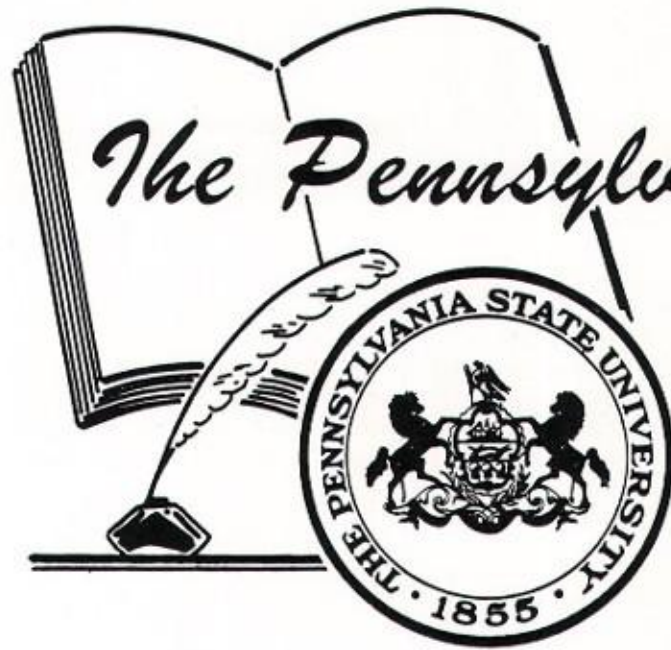

Below: Three women who start their day at school at 3:00, just as everyone else is on their way home. These women are but a few who sweep, dust, close forgotten windows and make the classrooms presentable for the 8:00 classes the next morning. To these people we offer our sincere thank-you for their appreciated work.

LOOKING FOR SOMETHING?

Self-insight, creativity, happiness. They're all qualities that aren't easy to find. But some suggest that you try pills, needles, and capsules in the search. Some of the last generation suggested materialism. It is unlikely that peace, happiness, and love can be found at the end of a long list of possessions, nor is it likely that they can be found at the end of a chemical reaction. Each of us must find his own answers.

Congratulations and Best Wishes
